Nursery Best Management Practices

Workshop October 20, 2009

Lake County Extension Ag Center

Program from 9 am—noon:

- Bring a pot of your potting mix (dry) and a potted plant (3 gal or less) and do it yourself as we show you how to measure air space and water holding capacity of your potting mix and run a soluble salts (EC) test on one of your plants
- Come prepared to get wet as we have you run an irrigation uniformity test and learn how you can save money on irrigation bills
- Learn what BMPs are and how they may affect you in the future
- Learn how an assessment is done
- Learn what Nursery BMPs can do for you
- Learn about the free Lake County Mobile Irrigation Lab
- FNGLA CEUs
