Central Florida Nursery Industry,

On the reverse side of this page please find an agenda for the Central Florida Nursery Production Workshop, scheduled for **Tuesday, February 17**, at the West Central Florida Agriculture and Education Center in Bushnell, FL. We are pleased with the docket of speakers and topics we have been able to put together as we feel these will be beneficial to nursery management and production personnel. We also will be offering **3 CEUs toward the Restricted Use Pesticide License and 4 FNGLA CEUs**.

The session will run 8:30 a.m. – 4:30 p.m., including lunch and breaks. The registration fee is \$30.00. **Advance registration is due February 13th**, and may be completed by clipping and returning the registration form below to the Sumter County Extension Service.

Sincerely,

Gary England
Horticulture Extension Agent
Multi-county

David Holmes
Horticulture Extension Agent
