AGRItunity 2009

Meeting the Needs of Farmers...Large & Small

AGENDA

SATURDAY, JANUARY 24, 2009

AGRItunity 2009 is a conference and trade show with the latest in agricultural technology and business information and trends that will benefit agricultural operations large and small.

A general session will focus on vital topics of importance to every segment of the agricultural community. A keynote speaker from the famous "Breakers Hotel" will highlight successes of the using local grown foods.

Breakout sessions will focus on a variety of topics such as:

Livestock Session

- Breeding Beef for Florida's Environment
- Poultry Flock Health Management
- Controlling Weeds on the Farm

Crops Session

- Extending the Growing Season by Protected Culture
- Organic Crop Production
- Let's Get Selling-Direct Marketing Options
- Blueberries and Other Small Fruit Crop Production
